

ZURN® *waterless is the answer!*

Based on national water rates, a conventional urinal could cost a building owner \$280 a year in water and sewer costs.*

A new Zurn Z5795 Waterless Urinal costs as little as \$19.40 a year to operate.

That's a savings of \$260 per urinal. A building owner with fifty Zurn waterless urinals could save \$13,000+ per year!

*National average rates for water usage.

Zurn Z5795 Waterless Urinal
