## Introducing The Top-Set® Drain Riser Adjustable Roof Extension Assembly From Zurn.

Member of

**The New Zurn Top-Set® Drain Riser Adjustable Roof Extension Incorporates The Following Features:**

- Furnished with new **Top-Set® Deck Plate** which provides installation from the **top side of the deck** giving you a more secure, rigid installation with fewer parts.
- Adjustable extension allows for 4-5/8" overall adjustment (from 2-5/8" thru 7-1/4").
- **Extension assembly is outside of waterway, eliminating possibilities of leaks.**
- Constructed of cast iron with deep-cut running threads to provide sturdy base and full adjustment range. (No O-ring or gaskets required.)
- The Zurn **Top-Set® Drain Riser Adjustable Extension** is available on all large diameter Z100 (15") series roof drains. Specify or order Suffix-DR.
- Zurn Specification Drainage Products comply with all ANSI standards and are designed to reduce labor and provide superior performance.
